

MEE-MAKEN TRAINEESHIP

- 01 START YOUR TRAINEESHIP**
As MeeMaken trainee you will perform various functions and projects in 2 years, at Selmers, KenzFigeo and/or Eager.one.
- 02 DEVELOP YOURSELF**
A traineeship is the perfect connection between your studies and your first job. Next to learning on the job, you will participate in training courses and meetings that are in line with your new field.
- 03 GAIN LOTS OF EXPERIENCE**
A traineeship allows you to quickly gain knowledge and experience within various projects and functions.
- 04 EXCELLENT SUPERVISION**
From the very start you will get excellent supervision in form of a mentor and each project you will work with experienced managers.
- 05 GROW YOUR NETWORK**
Working in different places, means working in different teams. This way you increase the opportunity to meet new people.
- 06 COOPERATE WITH OTHER TRAINEES**
You start with several trainees at the same time. This allows you to share your traineeship experience with others. And who knows... you may even end up with valuable friendships in addition to great colleagues.
